Foreword

We, the members of the Annual Staff, hope that as you thumb through the pages of the annual, you will recall many fond memories.

As you look at the past, realize that "gone are the yesterdays, but the sun rises on a new tomorrow."

MR. LEAF

We, the senior class of 1965, wish to dedicate our annual, THE TIGER, to Mr. Alan Leaf.

He has unselfishly dedicated his time and energy to helping his many students gain a broader and deeper understanding of music.

Under his leadership, the music department of SHS has grown into an organization of which everyone can be proud.

Tiger Season

Tiger football for the 1964 season resulted in a 6-2 record and third place in the Ma-Ne League. Beaten only by Corning and Axtell, Seneca out-totaled their opponents 298 to 130 during the season.

A homecoming victory was the result of the only non-league game, with Circleville.

Hard work and a desire to win pervaded the young football squad previewing an even brighter season for next year.

Freshman Initiation

Friday, September 11, the halls of Seneca Public High took on a new look, and it all came about over the green freshmen.

The freshmen came to school Friday morning dressed in an array of costumes, ranging from overalls and hip boots to beautiful boys decked in their mothers' oldest skirts.

This is one day the freshmen didn't go hungry since many had snacks of onions tied around their necks, which they were obliged to eat whenever a senior instructed them to do so.

Friday night the seniors lined the little green freshmen and marched them through main street to the football field to the tune of "Hail the Mighty Seniors." At the field the freshmen were privileged to be the subjects of various stunts staged by their masters for the day.

The seniors were very happy to find that the freshmen thoroughly enjoyed their generous helpings of raw eggs, and limburger cheese.

The seniors were very happy with the way that the freshmen cooperated in making Friday 11 a day of terror in the hearts of "greennoses."

All School Picnic

The annual "all-school picnic" which was to be held at Scyamore Springs May 29 was moved inside because of rain. The students, after picking up their grade cards, went to the new lunchroom for a "sock hop" and lunch.

This affair marked the end of school activities for the term with the exception of graduation exercises.

Our Braces are locked

Did you see that

Pre-game tension
